Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative contacted the Examiner asserting premature finality. The Examiner agreed that the Final Rejection mailed 01 November 2007 failed to properly address the newly added step of "locating existing cavities in a wall system of a building." The Examiner will vacate the previous Office action upon receipt of a Request for Reconsideration and issue a new Office action. The Examiner further noted that the next Office action may be made final.
